

Transition Training Panel Discussion

This forum is an open panel discussion that looks at all aspects of the transition training spectrum from general information to type specific issues. The forum panelists are industry subject matter experts on various type-specific aircraft such as the Cirrus and Lancair, as well as Light Sport Aircraft.

Directions: The Learn To Fly Discovery Center is located on Celebration Way, just south of EAA's Welcome Center on the AirVenture grounds.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
